

FINAL EXAMINATION

AIM: Need to Create following Banners of one web site which is into selling of baby toys. Name of the website/Brand is (Kidszone). Logo, Facebook Cover page, YouTube Banner

To making this band logo, Facebook Page banner, YouTube channel banner I have taken the help of canva platform and all the images are also copyright free taken from canva.com itself.

Fig 1.1: Kidszone Website logo

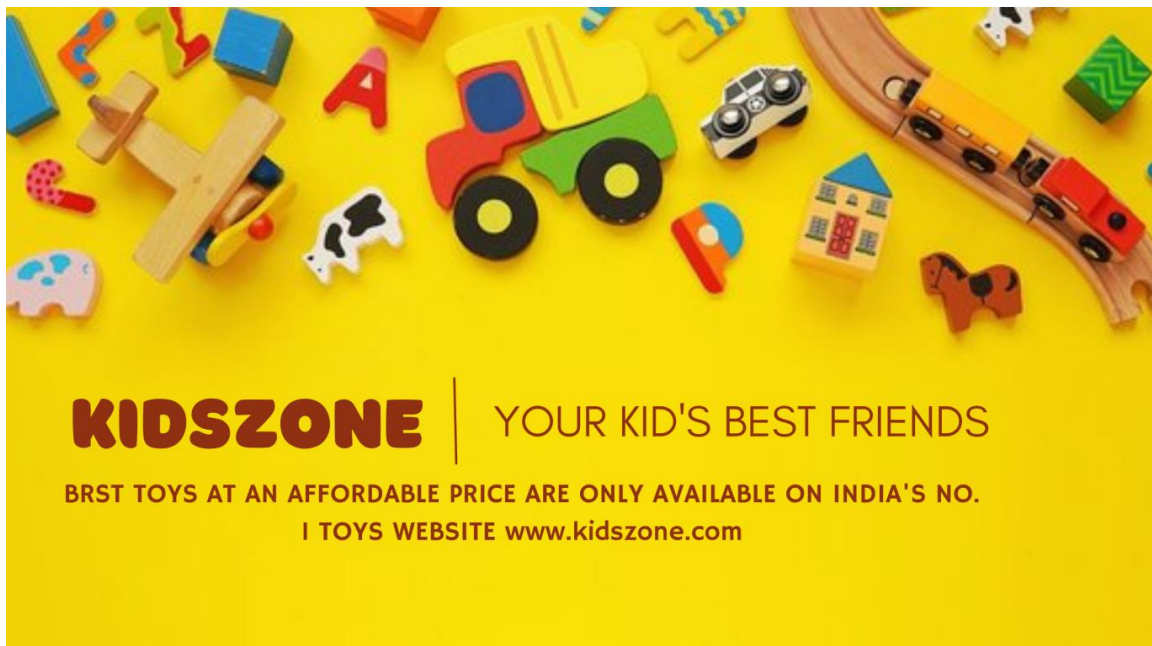

Fig 1.2: Kidszone Facebook Page Banner

Fig 1.3: Kidszone YouTube Channel Banner

Steps to make these kids toy's branded logo and banner I have used canva.com. So firstly go to canva.com

And then select the theme and accordingly make some changes according to your requirements. Do this process in each time when you want to make logo or banner.
